Inspiring a Lifetime of Rare Experiences

Soneva is an award-winning operator of barefoot resorts, where true luxury is defined by peace, time and space. With iconic resorts in the Maldives and Thailand, each stay offers rare seclusion, intuitive hospitality and inspiring experiences, from treetop dining and overwater wellness to Michelin-starred cuisine and transformative adventures.

Soneva Fushi

The original Soneva and the 'No News, No Shoes' blueprint for barefoot hideaways, Soneva Fushi is nestled within the Maldives' Baa Atoll UNESCO Biosphere Reserve. Its vast one- to nine-bedroom luxury villas are hidden amongst lush jungle or gracefully perched above turquoise waters – each a secluded sanctuary where magical experiences meet sophisticated serenity.

Soneva Kiri

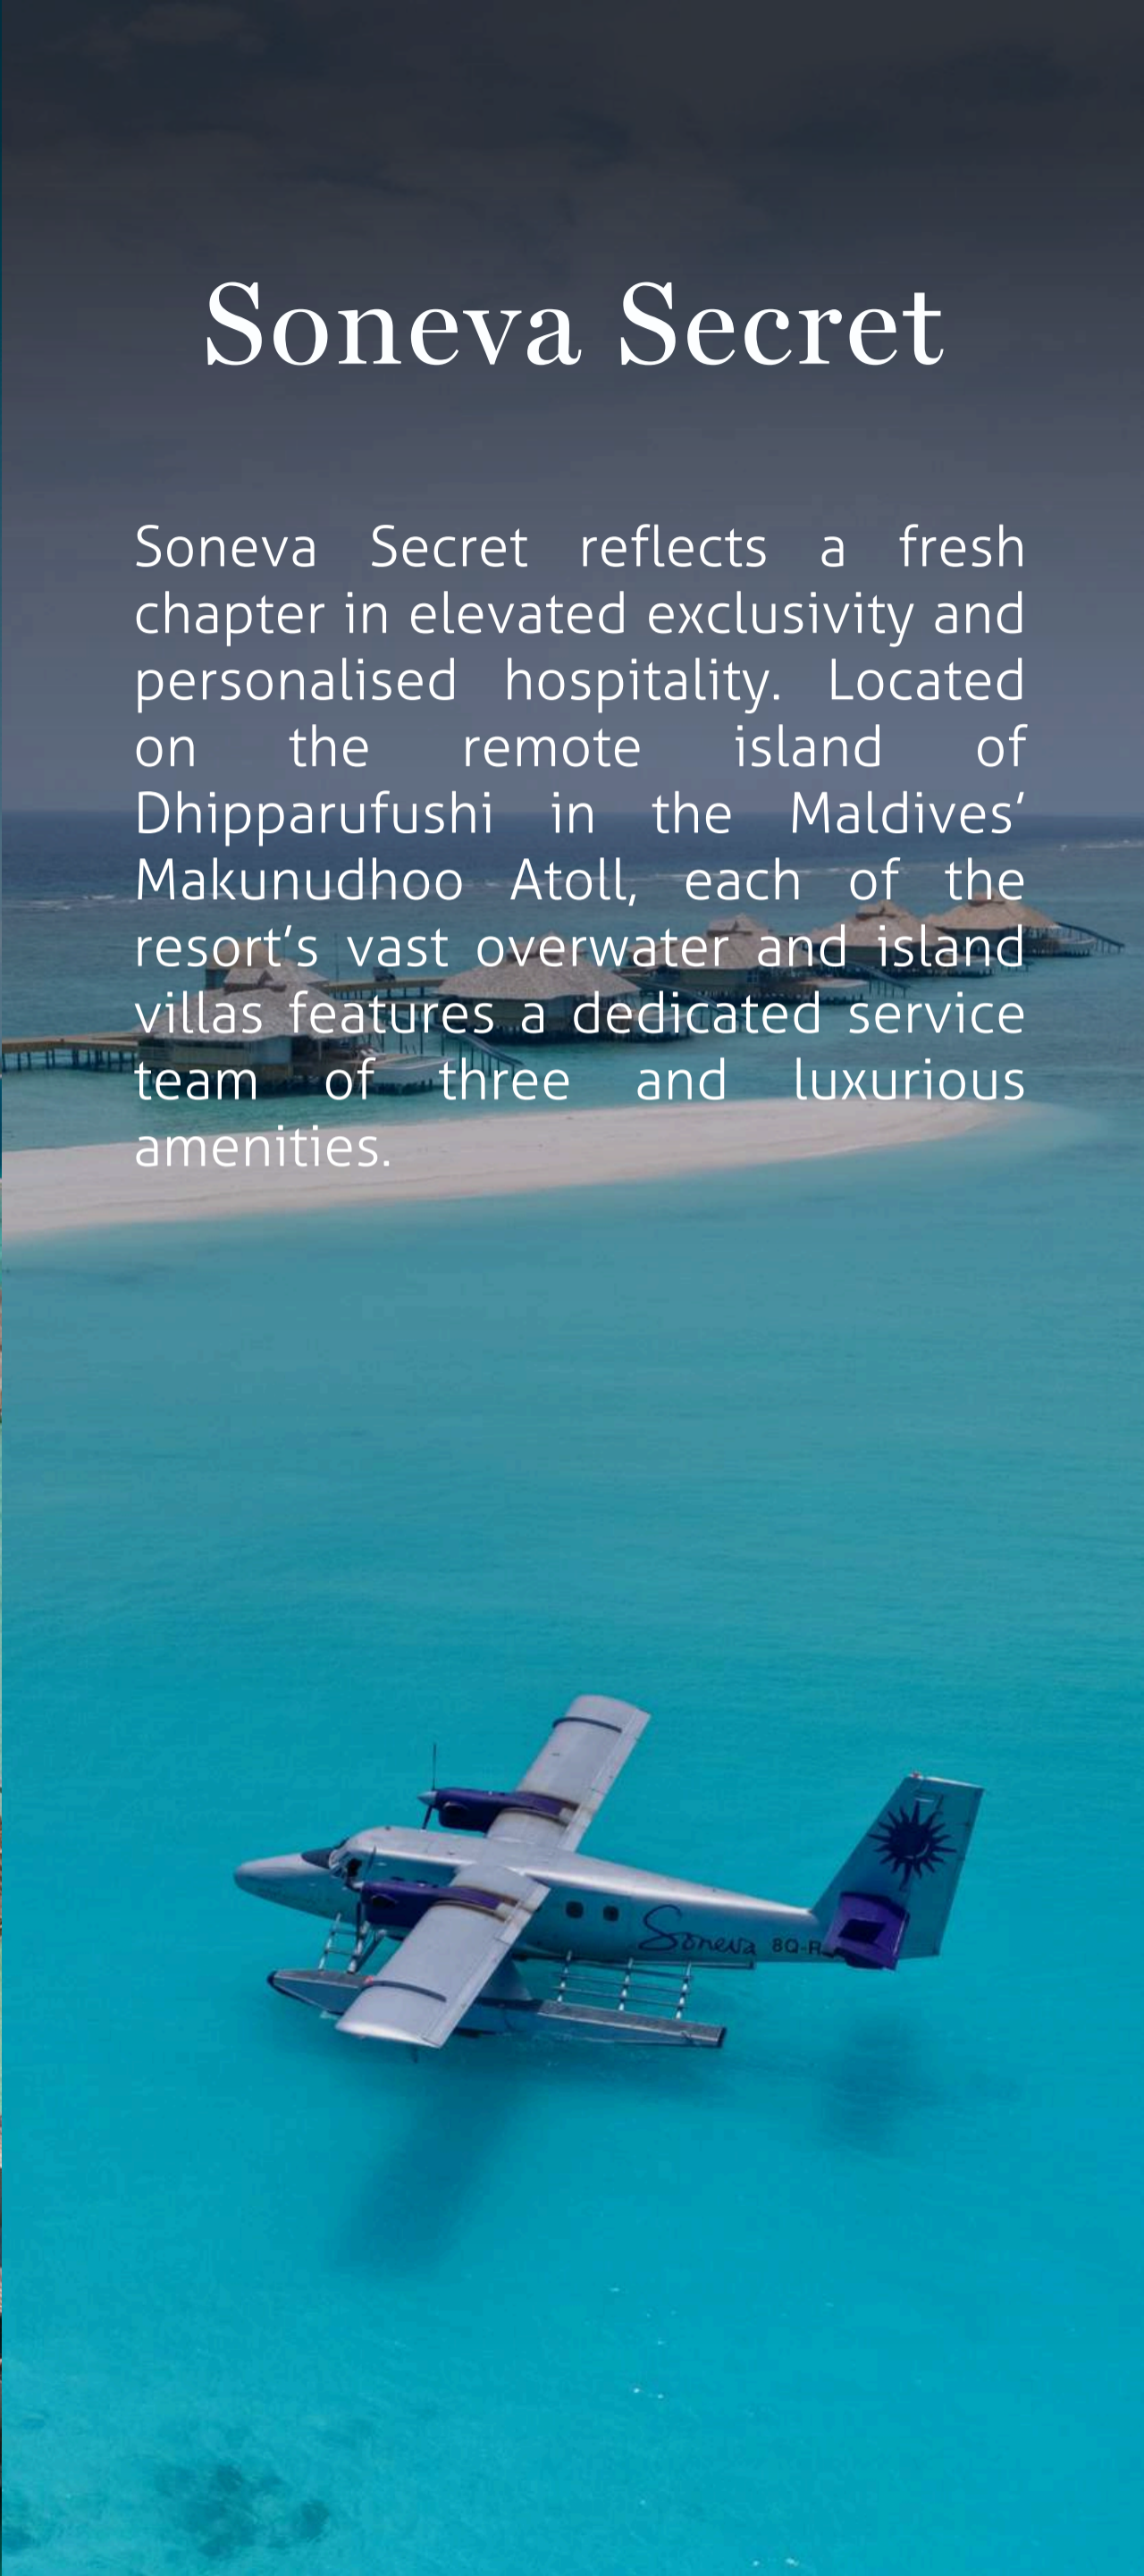

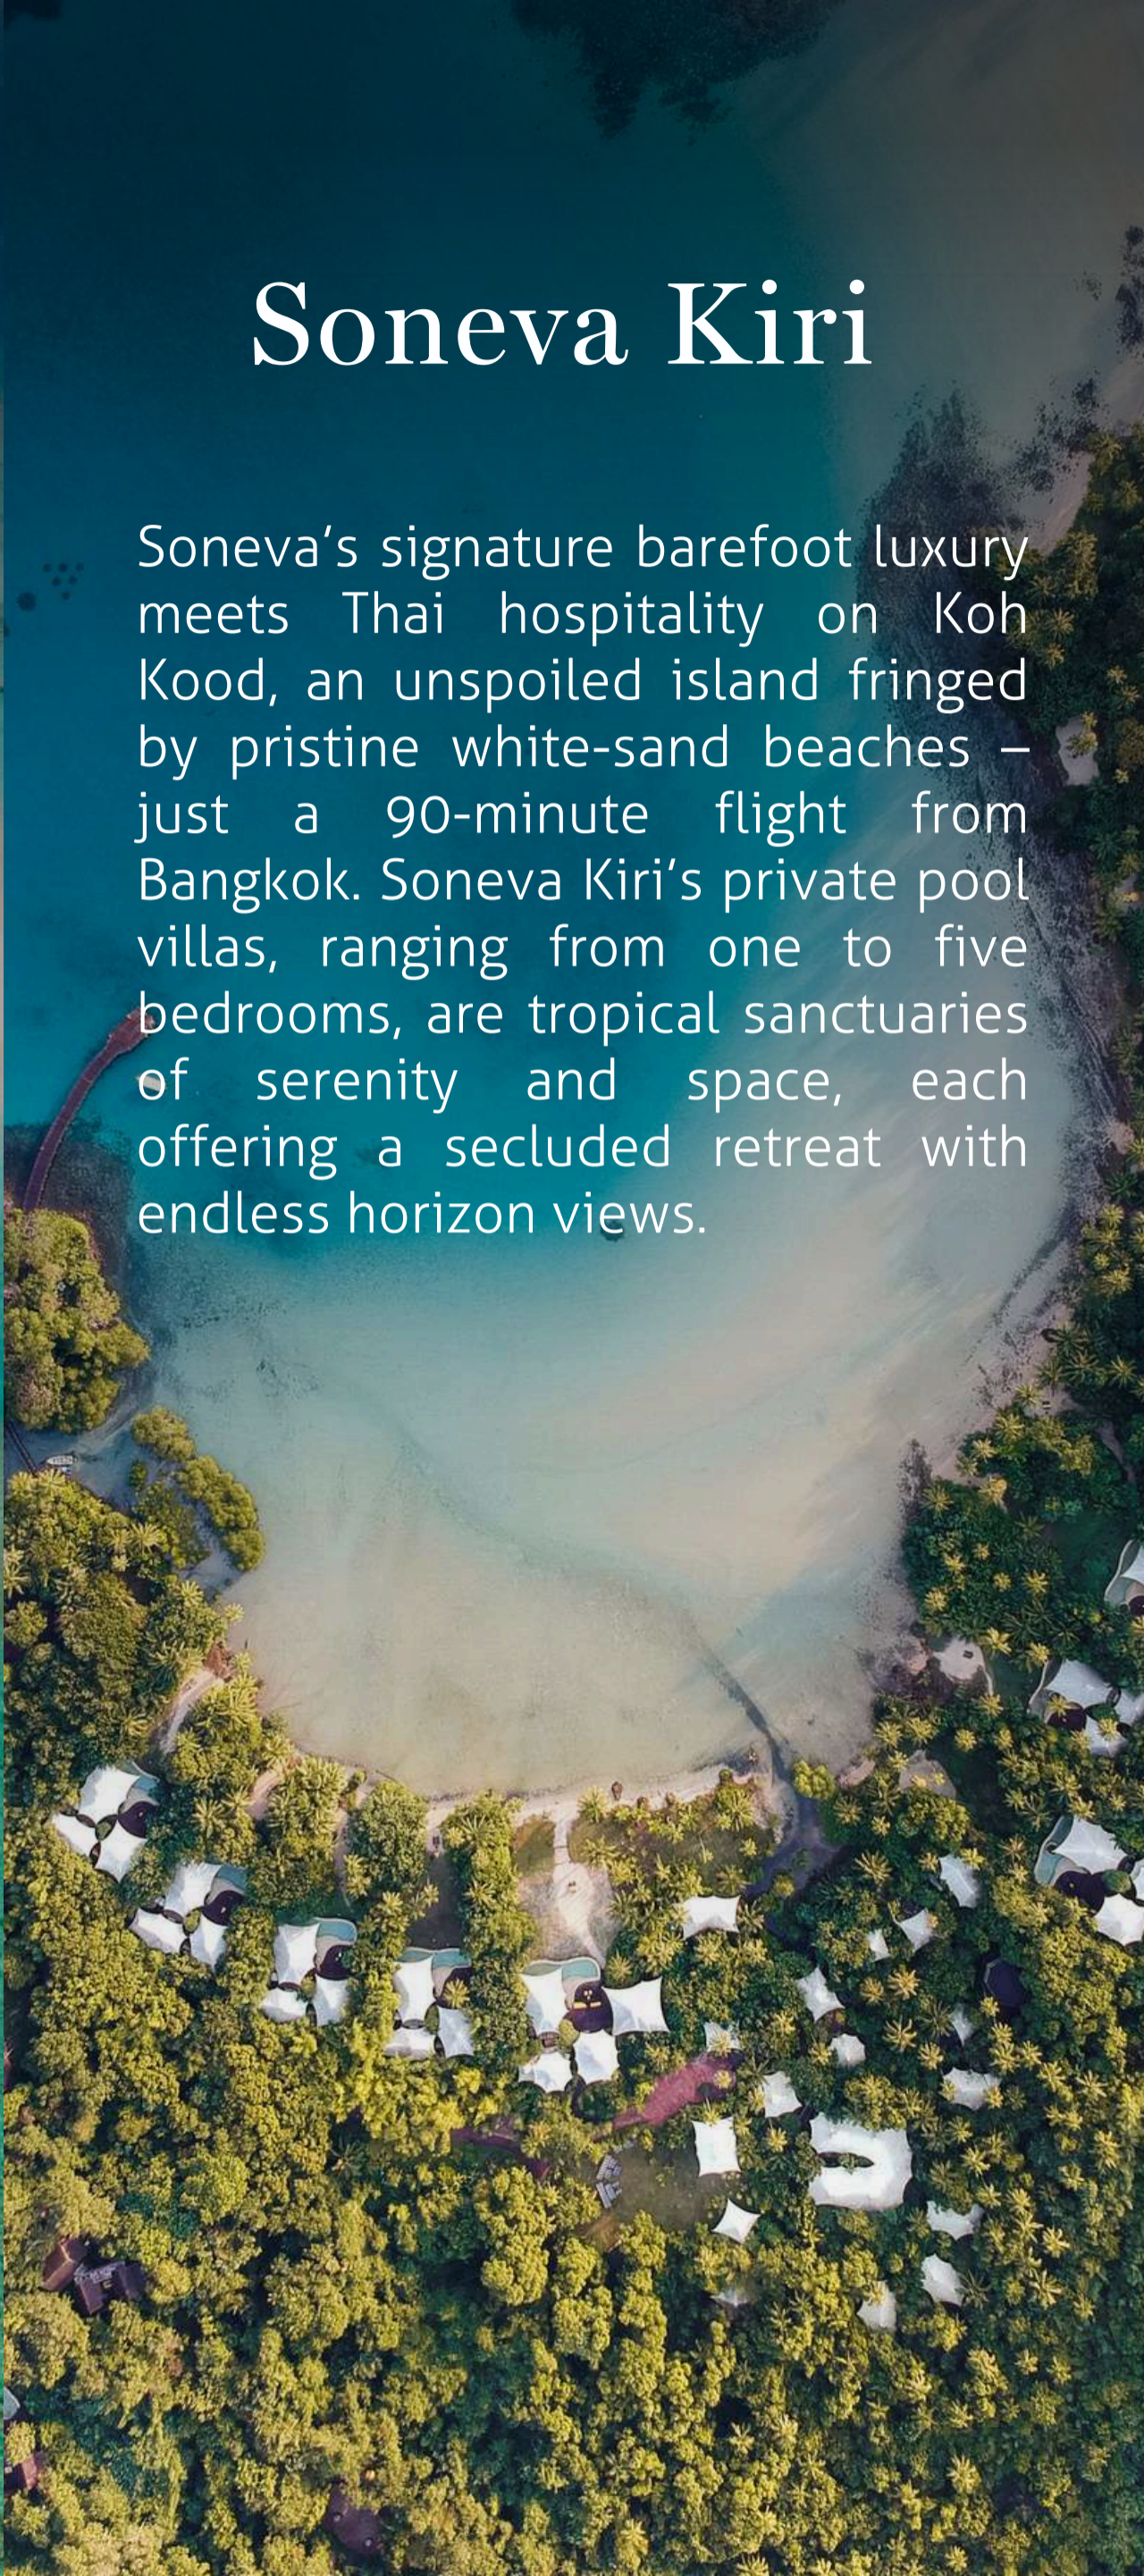

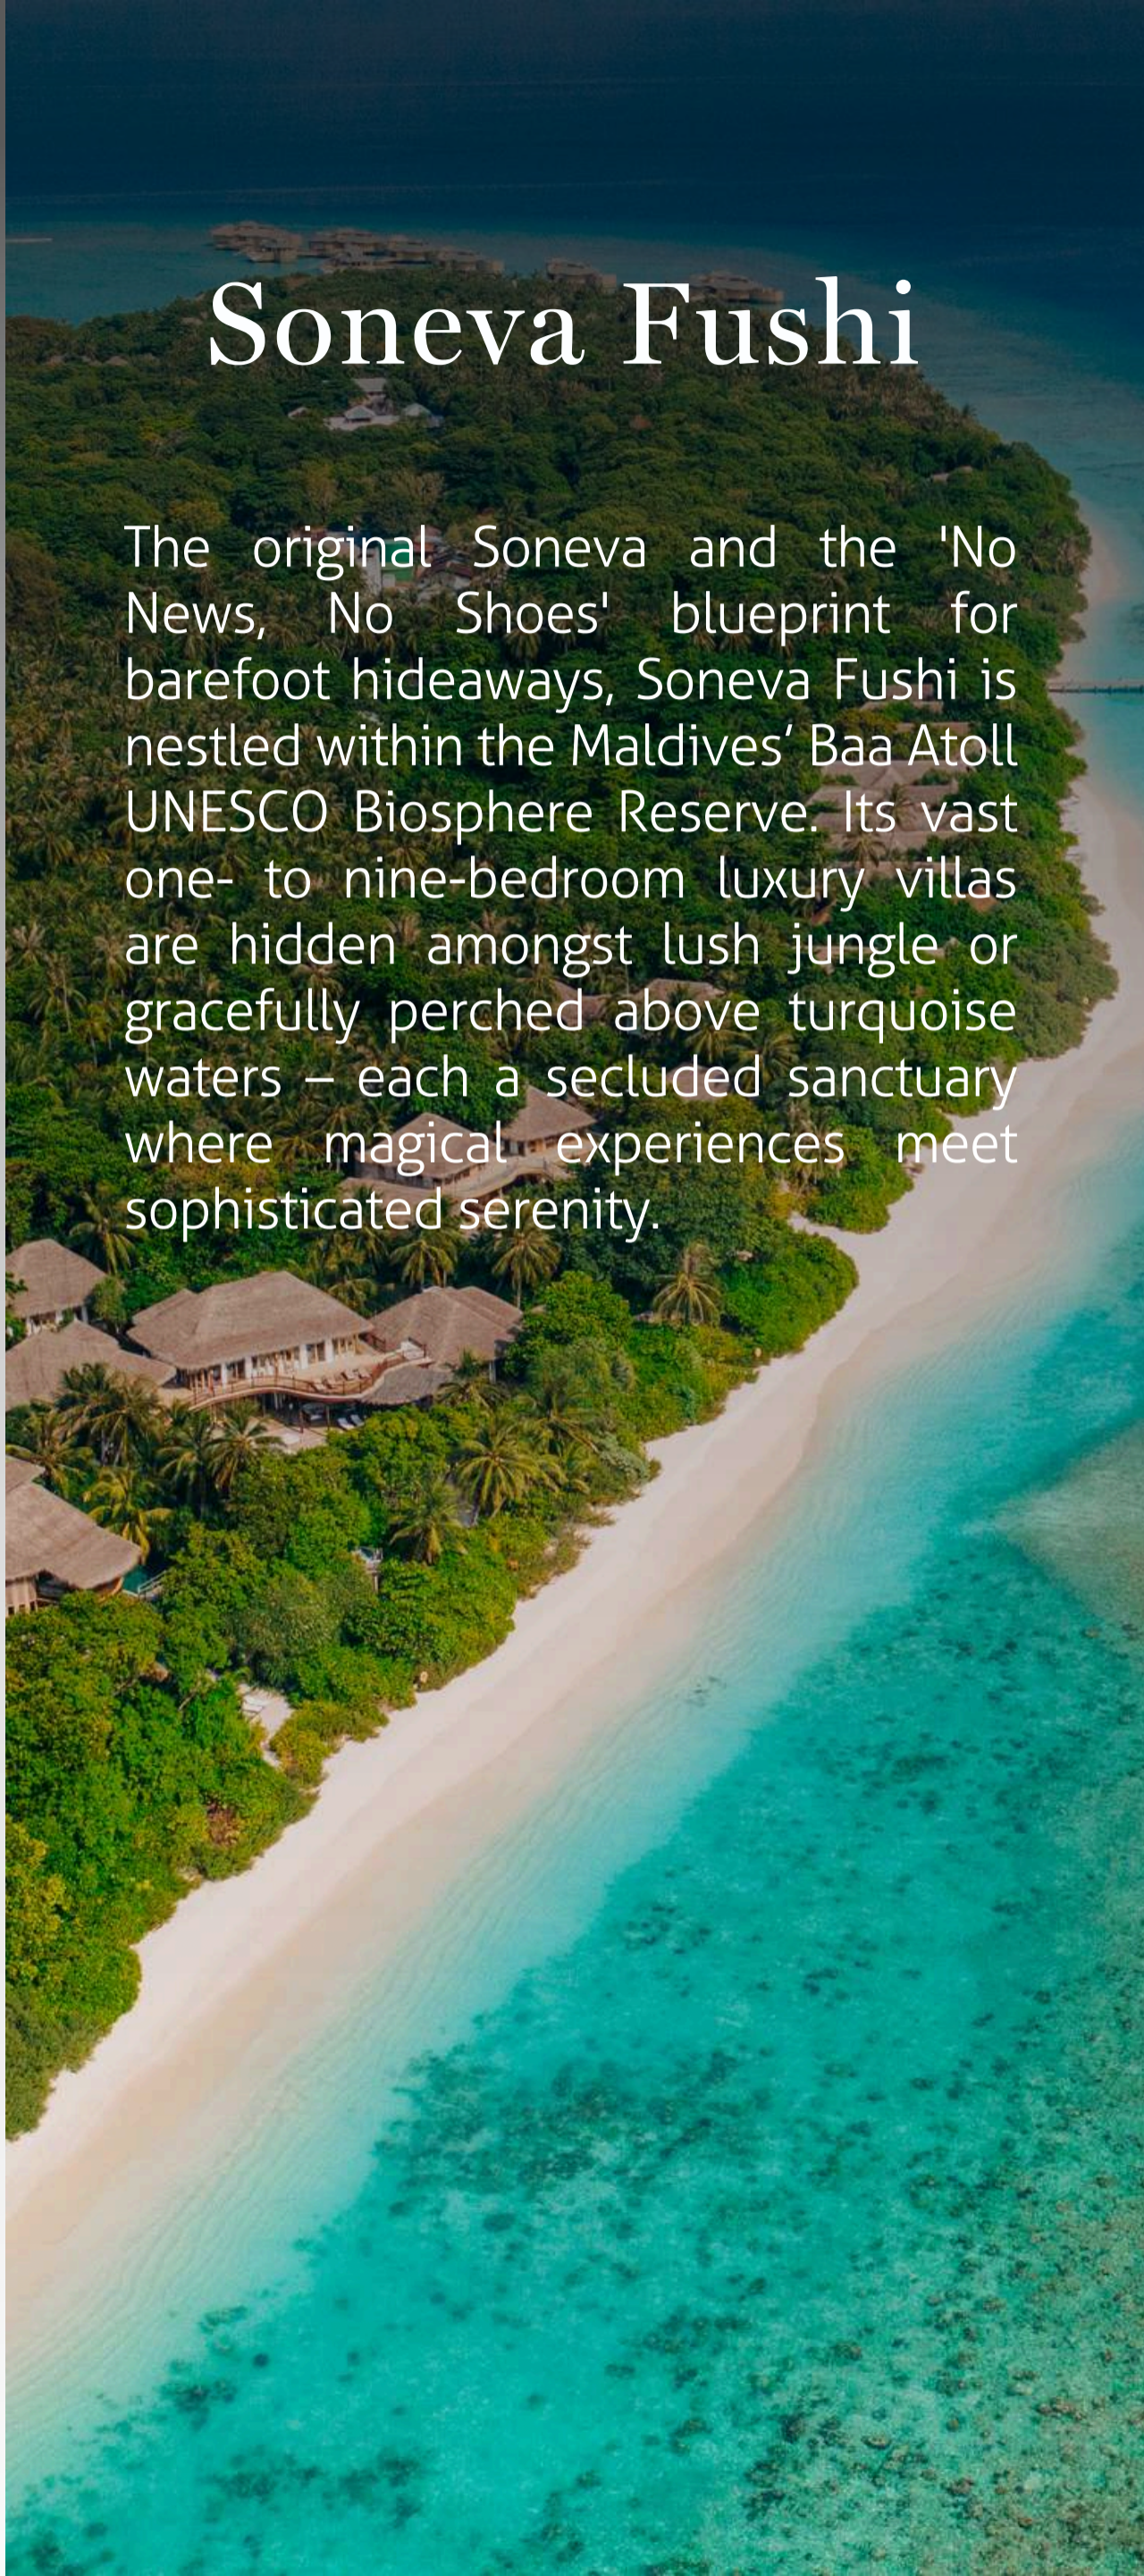

Soneva's signature barefoot luxury meets Thai hospitality on Koh Kood, an unspoiled island fringed by pristine white-sand beaches – just a 90-minute flight from Bangkok. Soneva Kiri's private pool villas, ranging from one to five bedrooms, are tropical sanctuaries of serenity and space, each offering a secluded retreat with endless horizon views.

Soneva Jani

An iconic overwater sanctuary, Soneva Jani is set within a sparkling 5.6-kilometre private lagoon in the Maldives' Noonu Atoll. With sprawling one- to five-bedroom overwater and island villas offering unrivalled space and seclusion, it is one of the world's most exclusive and lowest-density luxury resorts.

Soneva Secret

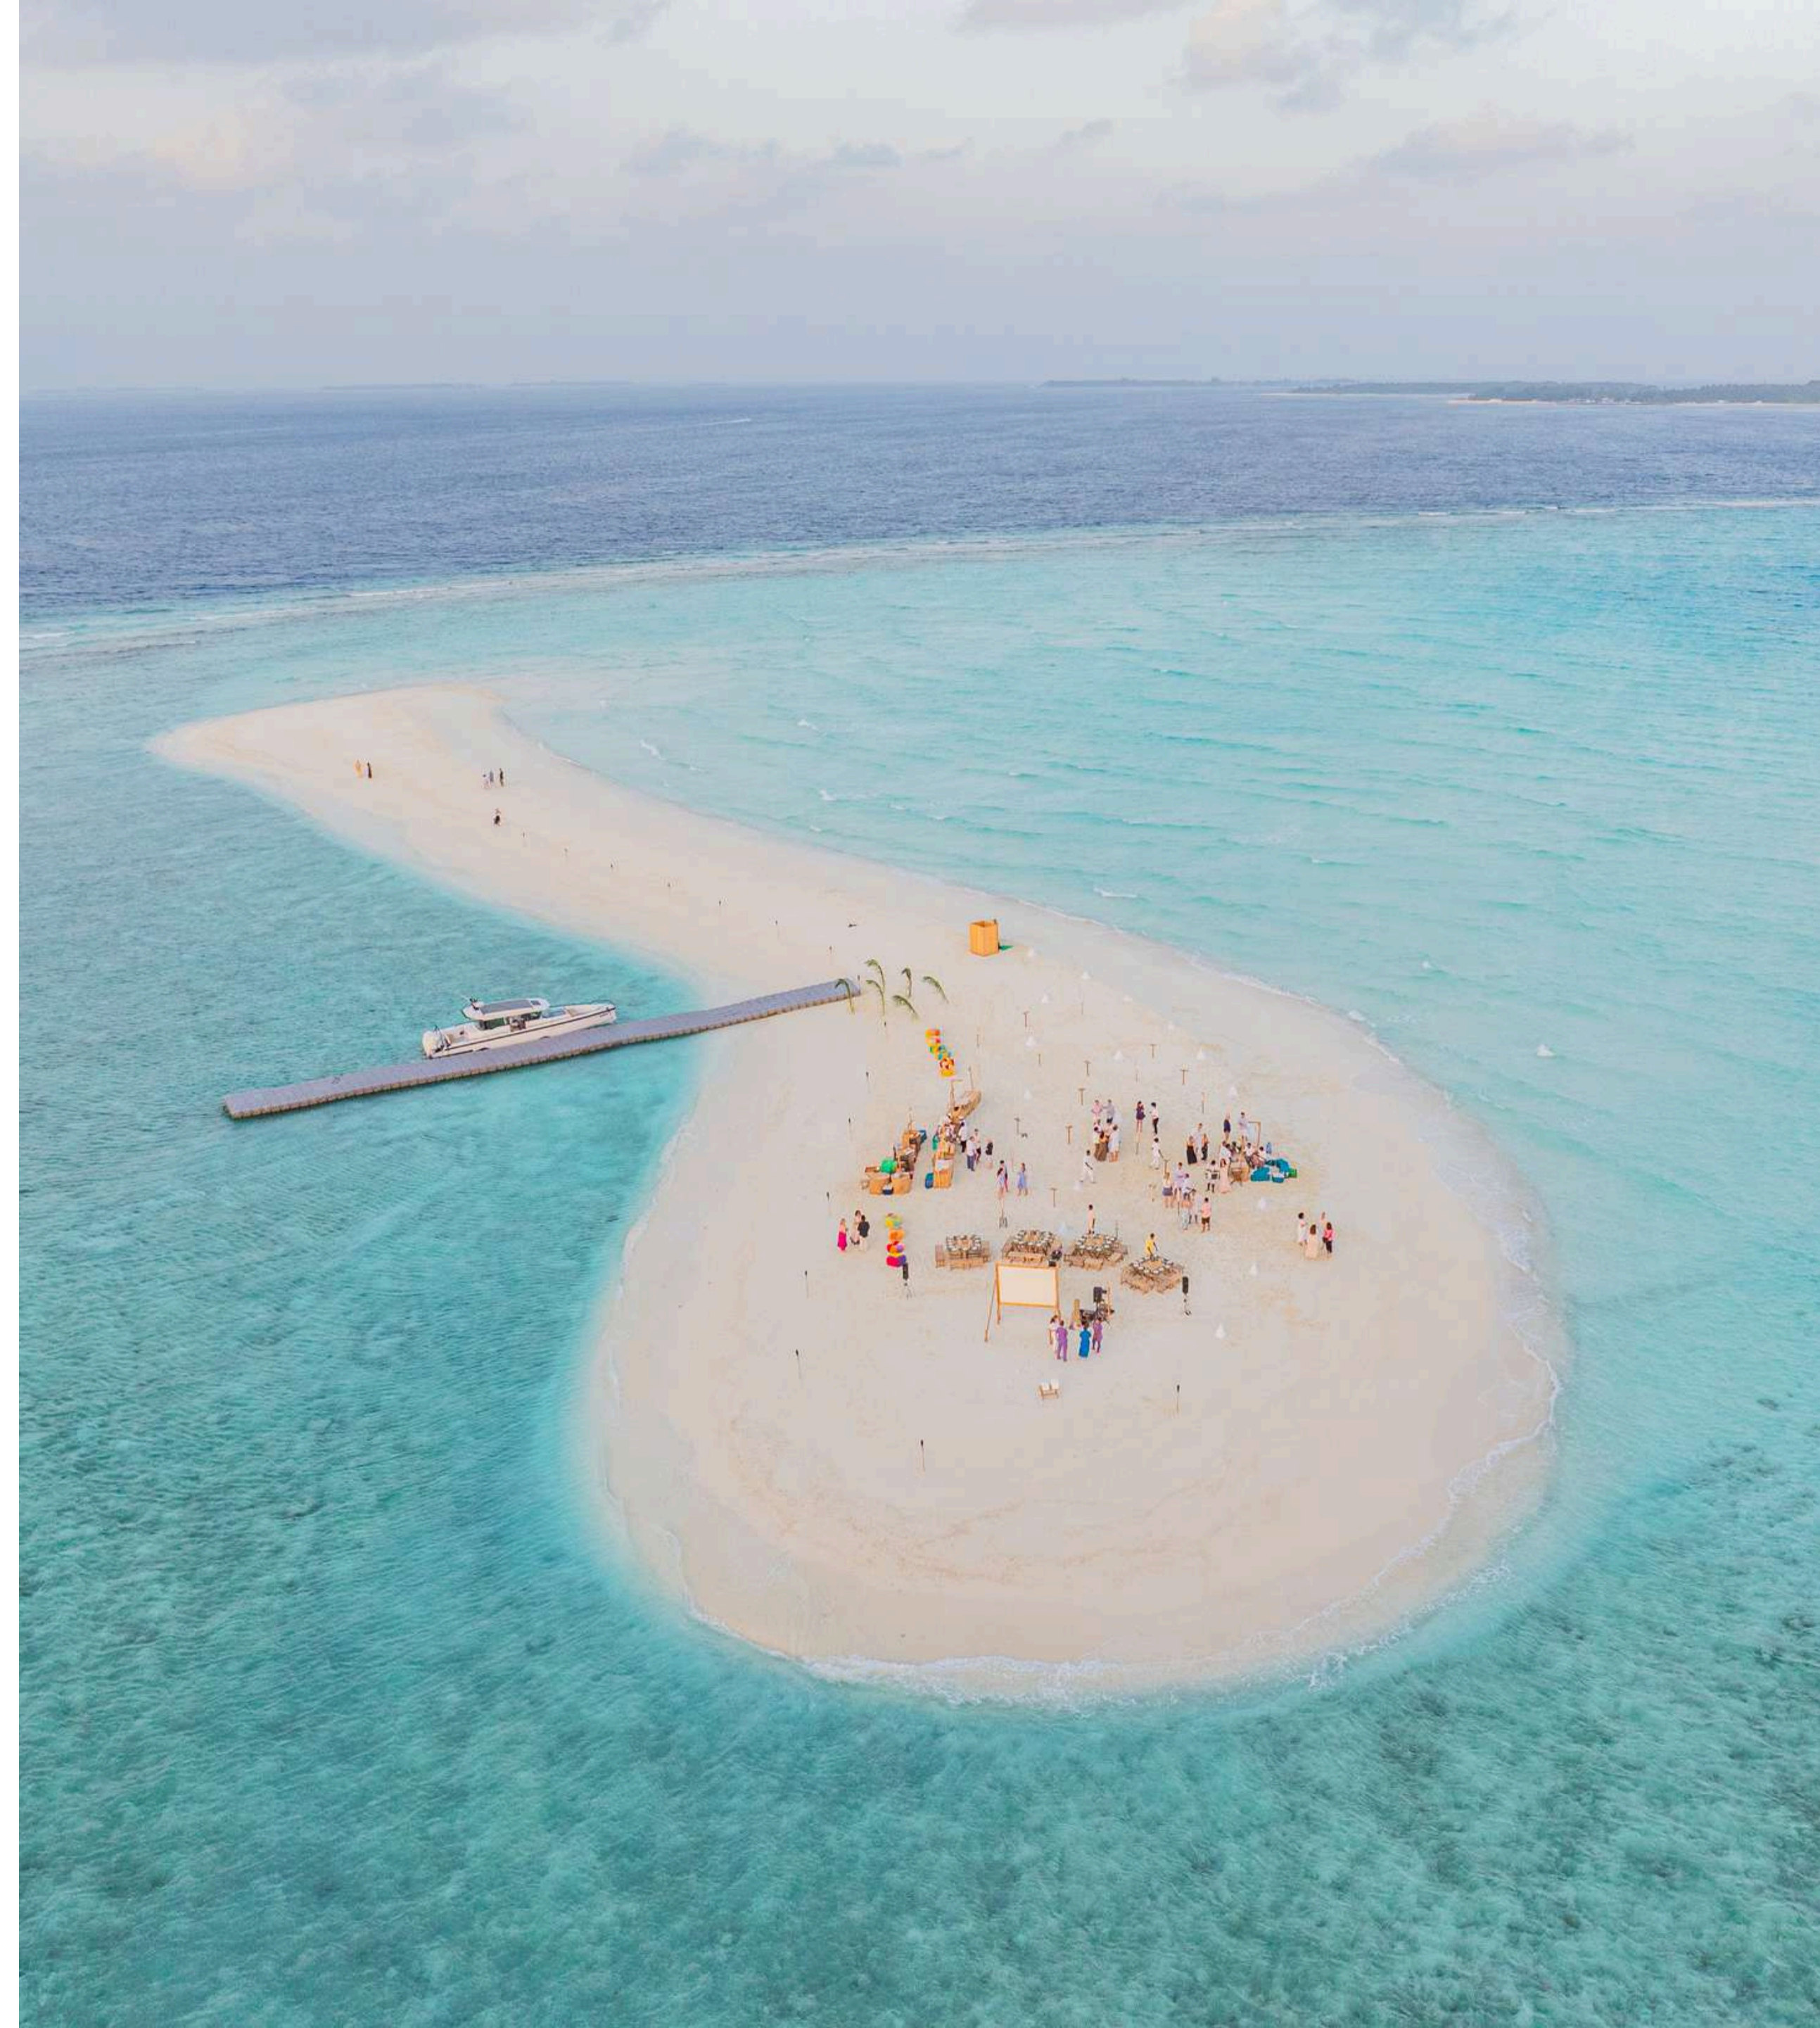

Soneva Secret reflects a fresh chapter in elevated exclusivity and personalised hospitality. Located on the remote island of Dhipparufushi in the Maldives' Makunudhoo Atoll, each of the resort's vast overwater and island villas features a dedicated service team of three and luxurious amenities.

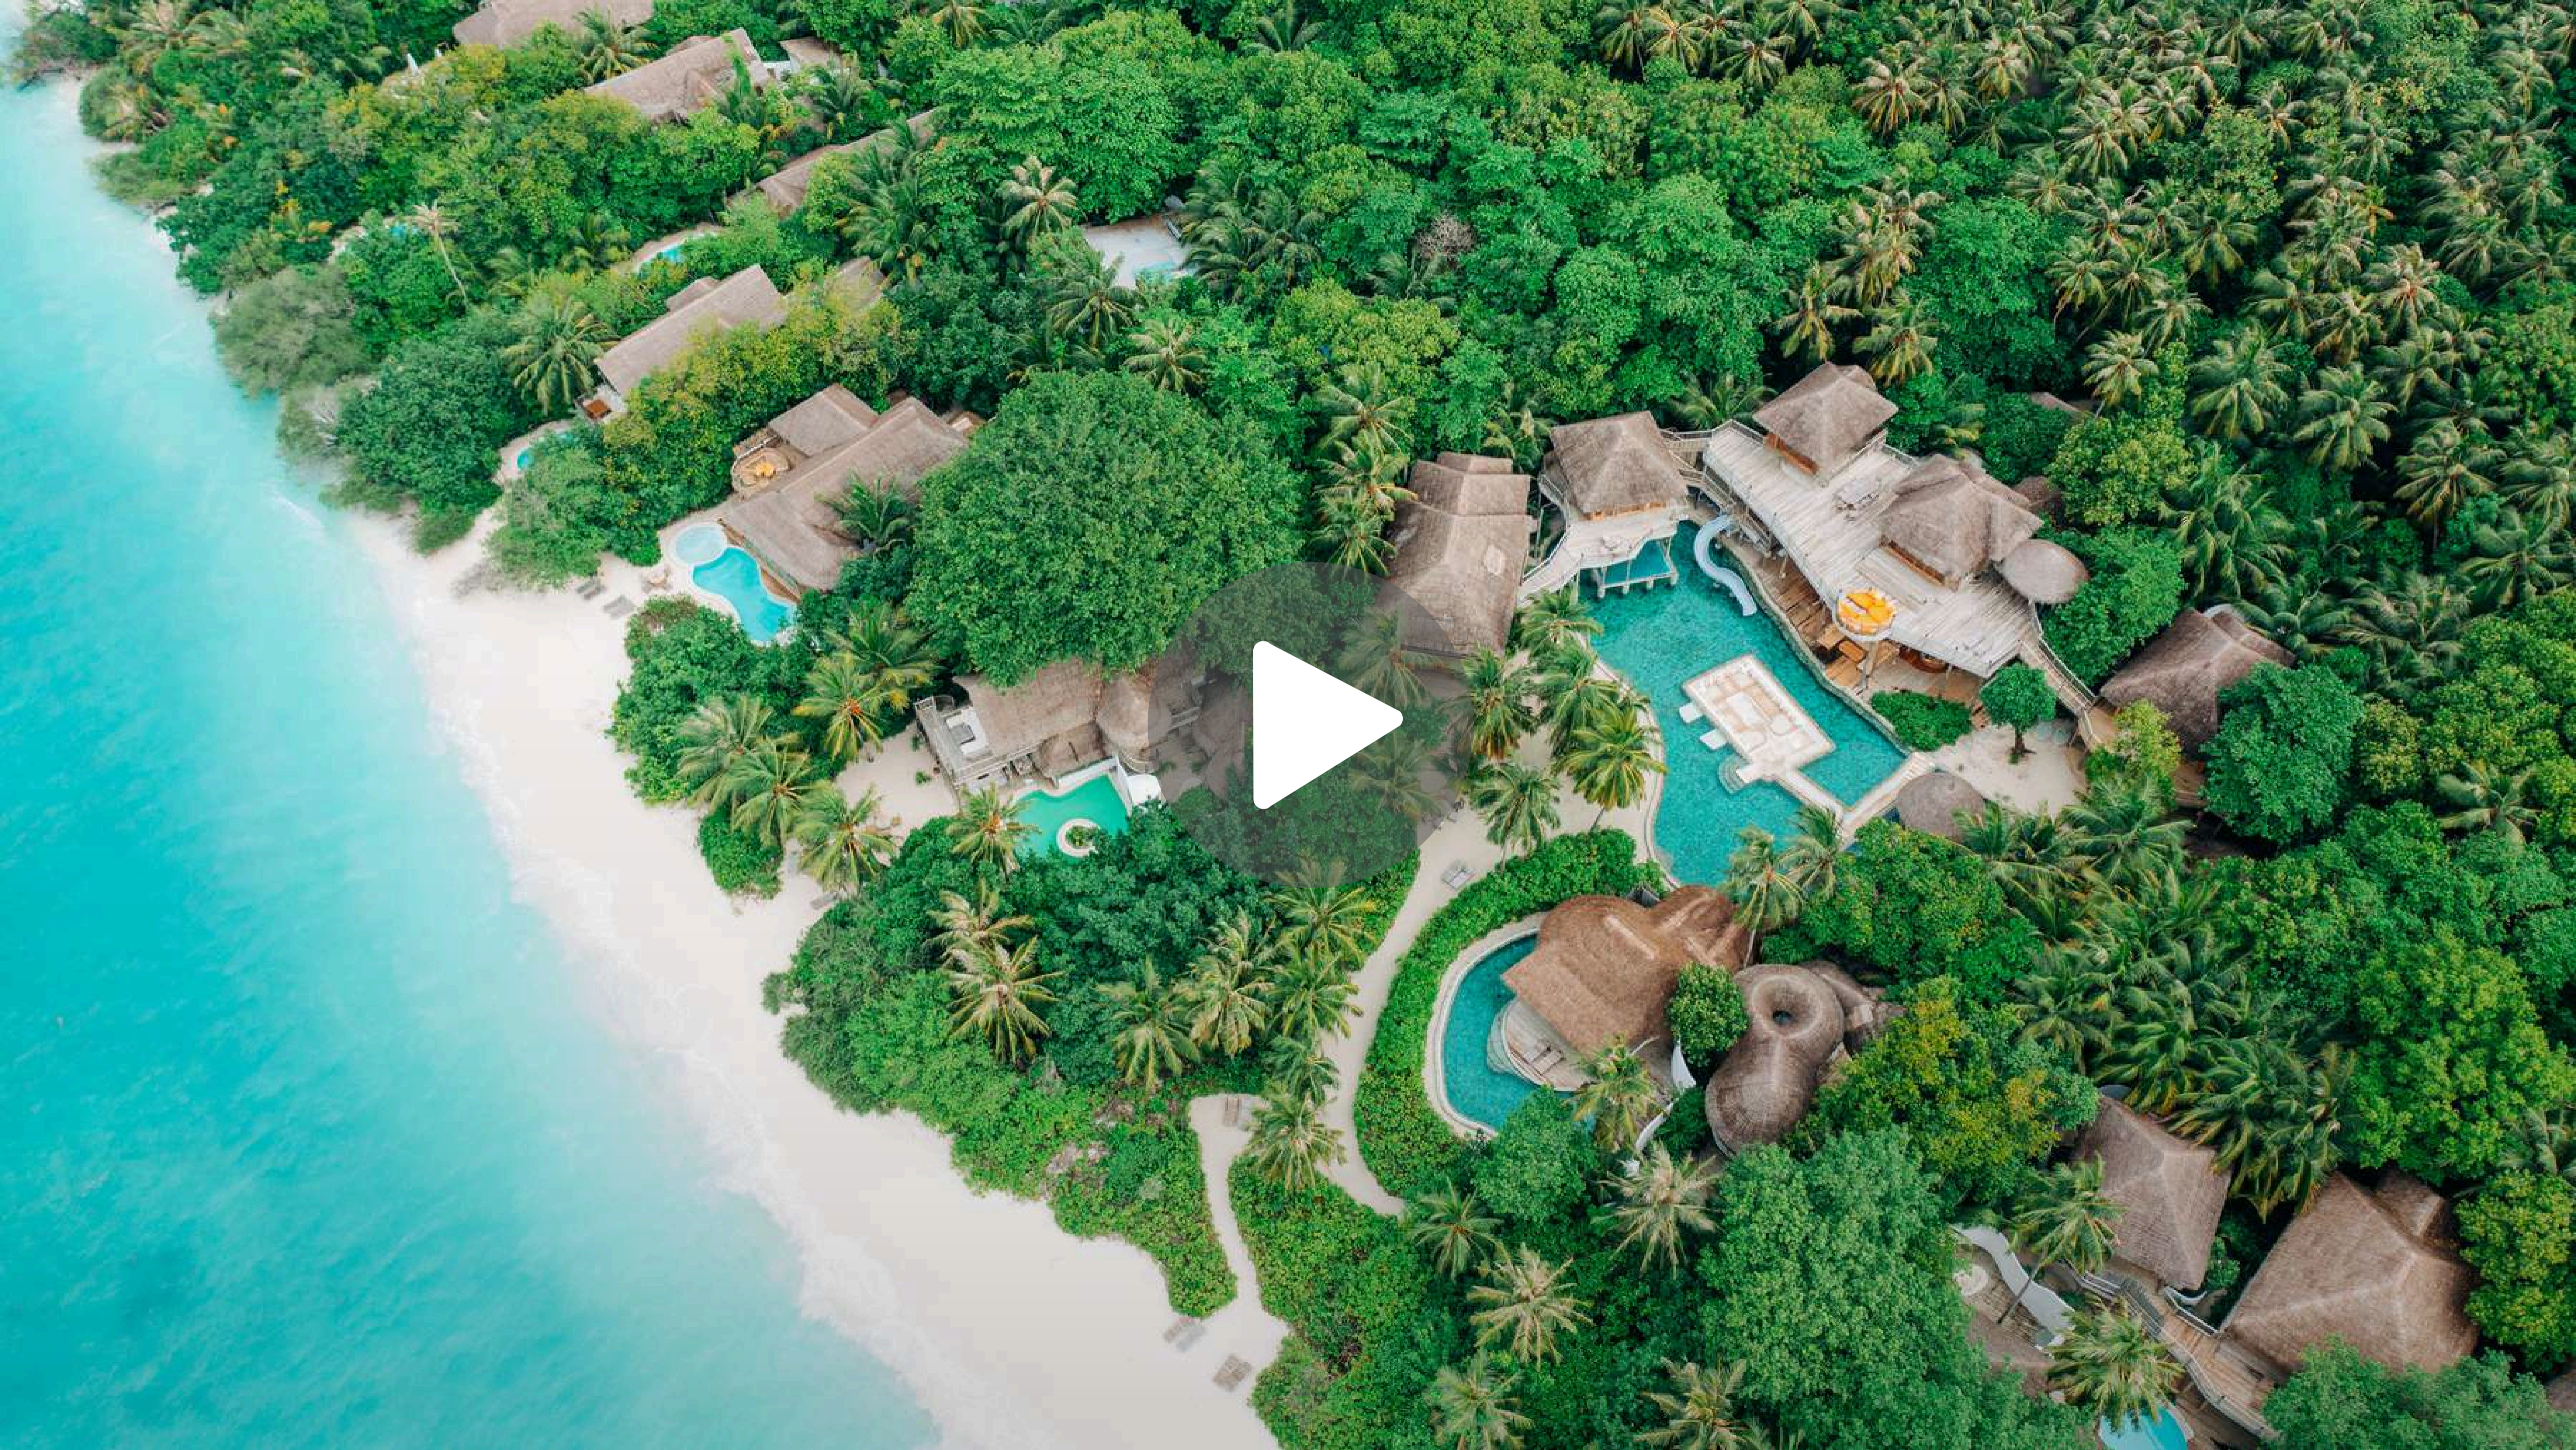

BlueSky THINKING

At Soneva, we believe that the brightest ideas weren't sparked by the blank walls of the boardroom. By stripping back to the basics, we challenge conformity and rid ourselves of distraction. Here, we take a slower, more measured approach to both corporate retreats and events of all sizes. Our No News, No Shoes philosophy is a great equaliser, swapping suits for shorts and pretensions for open minds.

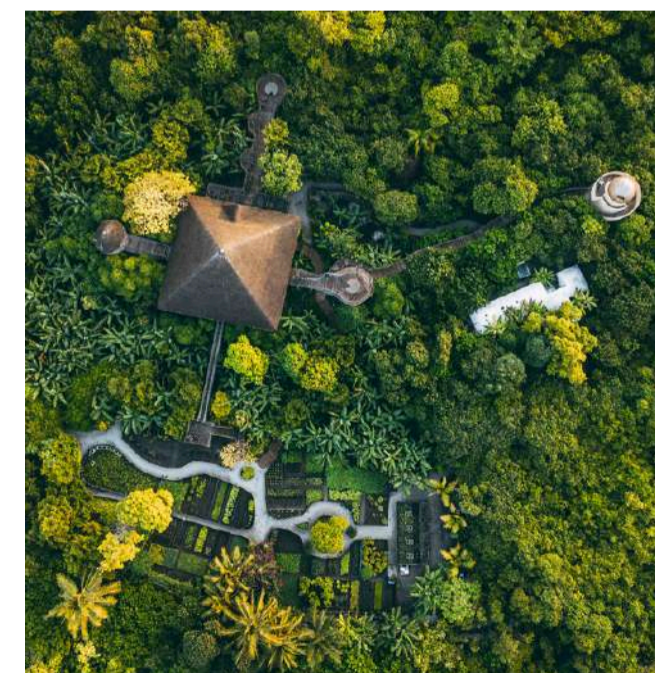

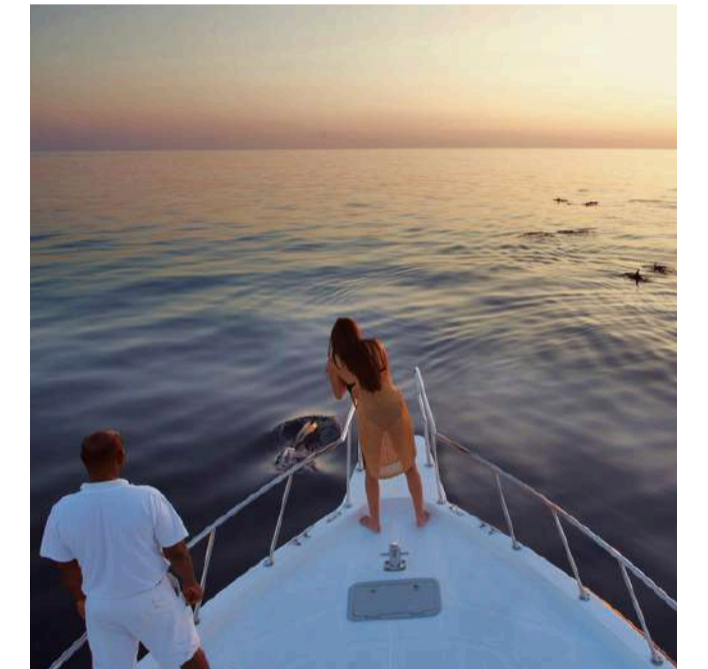

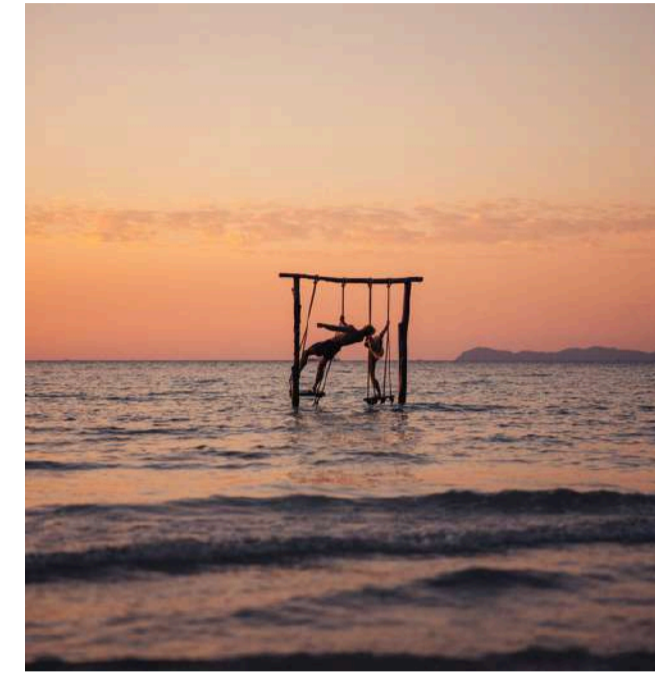

The LOCATIONS

Set on remote islands tucked away in the Maldives and Thailand, Soneva resorts are breathtaking in their natural beauty and unique in their exquisite design. Choose from the Maldivian charms of Soneva Fushi, the overwater paradise of Soneva Jani, the serene seclusion of Soneva Secret or the pristine Thai shores of Soneva Kiri, and uncover a more inspiring way of conducting business.
