

NIHI  
SUMBA  
BY CHRIS BURCH

The award-winning Nihi Sumba resort located on the west coast of Sumba Island, Indonesia, is not merely a hotel, it is away of life: A glimpse into a by gone era, centuries of rituals, a lushun spoiled landscape, and unlimited freedom to explore.

NIHI Sumba offers a rare sense of discovery in this age of global travel, where ancient tribal culture and spectacular natural beauty combine with understated sustainable luxury and wonderful hospitality to create an unforgettable experience.

We want guests to feel connected and useful and to give back and feel a part of something larger than themselves
